

## The Day of the Lord

---

1 Thessalonians 5:1-3, Malachi 4:1-6, Zephaniah 1:14-16, 2nd Peter 3:10

*Music & Lyrics by Paul S. Paoli*

These are the days just like Noah's.  
Darkness and violence abound.  
People don't know what awaits them,  
thinking their sin won't be found.  
What will happen when that great and awful day comes around?

(Chorus)

*The day of the Lord is coming it is true.  
The wrath of God will be revealed .  
There'll be no mercy for those who have turned away.  
The only ones He'll save are those who Jesus Christ has sealed.*

Friends let me ask "what are you living for?"  
Is it money, is it pleasure or new things?  
None of these things will deliver you,  
when He comes and that final trumpet rings.  
On that day you'll stand in judgment without hope before the King.

(Chorus)

Now is the time to get ready,  
for that day of terror soon will be here.  
Those who have trusted in the Savior;  
on that day they'll have nothing to fear.  
Turn to Him before it's too late and the time of judgment is here.

(Chorus)
