

The Traditions of Men

Matthew 15:19

Music & Lyrics by Paul S. Paoli

The religious leaders came to question Jesus one day.
They asked Him why His followers didn't do what they say.
They said that His disciples didn't follow God's plan.
But Jesus said that their traditions were just rules made by man.
Then He said that they were hypocrites and worshipped God in vain.
Cause their hearts were far from God though their lips professed His name.

(Chorus)

*Are you following the Word of God,
or the traditions you have learned?
When it comes to seeking truth, don't look to men.
The Bible is where you turn.*

These traditions people follow, they are like a ball and chain.
They lock you in a prison and they don't do what they claim.
They make you feel "religious" when you follow what they say.
They claim to lead you close to God, but instead they lead astray.
All these man-made rules and rituals that have been handed down,
Are not the place where God's truth and wisdom can be found.

(Chorus)

*Are you following the Word of God,
or the traditions you have learned?
When it comes to seeking truth, don't look to men.
The Bible is where you turn.*
