

## Trophy of Grace

---

Ephesians 2:4-7

*Music & Lyrics by Paul S. Paoli*

A self-righteous, jealous man, emptiness inside.  
Judgmental, plagued with fears and a heart full of pride.  
A slave to lusts of the heart, chasing after selfish sin  
Looking down, hating others because of the color of their skin.  
Oh, I was so lost, deceived in my sin.  
Then the Lord changed my heart and new life came in.

(Chorus)

*Now I'm a trophy of grace on His mantle in Heaven.  
All my sins are erased by His power and His love.  
I'm set free by His grace. I will never be worthy.  
But I will walk in His ways for the rest of my life.*

Unforgiving, causing strife, feeling insecure.  
Loving pleasure more than God. Thoughts so impure.  
God's wrath, God's judgment, this awaited me.  
Dead in sin, without hope for all eternity.  
Oh, I was so lost, so deceived in my sin.  
Then the Lord changed my heart and new life came in

(Chorus)

*Now I'm a trophy of grace on His mantle in Heaven.  
All my sins are erased by His power and His love.  
I'm set free by His grace. I will never be worthy.  
But I will walk in His ways for the rest of my life.*

*Even if I stumble, even if I fall,  
He is right there with me.  
He will bring me through it all.*

(Chorus)
