

## What About Love?

---

John 13:34-35, | John 4:7-10

*Music & Lyrics by Paul S. Paoli*

I've got six different Bible translations and hundreds of sermons on tape.  
I've read books by Spurgeon and Luther  
And I believe in the doctrines of grace.  
I know that salvation's a gift that is free,  
But there is a question that keeps haunting me.

(Chorus)

*What about love  
lived out each day  
showing I truly believe what I say?  
What about love,  
mercy and grace?  
Showing compassion and kindness each day.  
What about love?*

Now our churches are full of divisions.  
Plagued with bitterness, envy and strife.  
We're so worried about getting our own way  
Instead of living this new life in Christ.  
But when this lost world looks at you and at me,  
How we treat one another, Oh what do they see?

(Chorus)

Jesus commanded us to love one another.  
It's not a suggestion He made.  
He's shown us mercy and love beyond measure.  
Think of what you owed and the debt that He paid!

(Chorus)
